

Peninsula Animal Aid Association Inc. is a registered charity based in Clontarf on the Redcliffe Peninsula (on the northside of Brisbane), it was established in 1971. The animal shelter is staffed entirely by volunteers.

Animals available for adoption:

JAFFA is 12 months old - he has a very placid nature and is very friendly. He likes a cuddle and does not mind being picked up.

Jaffa is a gentle boy who is just out to please. He is a quiet boy who enjoys his human friends and cats alike.

Lots of beautiful little **KITTENS** are currently patiently waiting for their forever homes to come along! They are available in a variety of breeds, colours and ages. Some kittens are at the shelter, and others are in foster care.

Please contact PAA or Kylee (07 3203 1506) if you would like to discuss adopting a kitten.

What a stunner our boy **ROCKY** is - he is a very friendly Staffy X Bulldog. Rocky is a lovely boy that needs to be allowed inside and be part of a family or he will not settle. Rocky is approximately 12 months old and enjoys the company of another dog. His new home must have secure fences for Rocky's own safety.

Meet **MISSY MOO** - she is a 3 year old female Staffy X Dane. She is a just a little taller than a purebred Staffy. Missy loves to be inside and go for daily walks. She has been living with a family and will be a wonderful family addition.

Missy is really out of sorts, her beloved owner has to part with her - she is very upset being left at the shelter. Missy has been very loved and cared for.
